Place-Patio at Brandywine Prime and the Sanderson Museum across the parking lot

A little bit of learning-A bit of education in between the drinks and snacks-Curator Charles Ulmann will present TWICE at the Sanderson Museum, "A Man, A Fiddle and the Old Fiddlers Picnics" / "Chris, Old Fiddlers Picnics and the Pocopson Valley Boys."

How to attend-\$25 donation (or MORE) at the door for the Sanderson Museum. Food provided en gratis by Brandywine Prime. Cash bar. RSVP would be great, so we know how many to prepare for, but if you get up that morning and decide you just have to attend, we will make do.

Door Prizes-Yes, we will have some!

Background-Some people like to call Chris Sanderson a "renaissance man" as he was a teacher, musician, leader of the Pocopson Valley Boys, historian, lecturer, consultant to Andrew Wyeth on local history, aircraft spotter for WW II, etc. We're going to delve a bit into his involvement with the two Old Fiddlers picnics in Chester Country which he attended, played, advertised, announced from 1922 until his passing in 1966. We'll have some pictures on display as well as his first Old Fiddler's invitation to play.

So come join us and have a wonderful time to start off your summer at Brandywine Prime and the Sanderson Museum!
